# An Introduction to Flowers & Colours By Melrose Flower Lab

This curated booklet will help you select the perfect blooms for your wedding.

We have gathered all the information about flower & foliage choices available to couples in Ontario. This guide is organized by colour, availability & wedding colour coordination. We want to help make your choices easier to reflect your personal style.

# CHOOSING YOUR BOUQUET STYLE

*Full Nosegay*

When finding the balance with flower & style for your wedding, it is important to follow your intuition. Don't be afraid to get creative & consider a range of floral styles. You may be surprised on how you can strike that perfect balance!

*Unstructured*

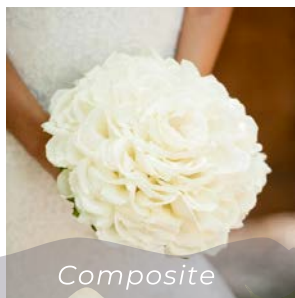

*Organic*

*Cascade*

*Mini Clutch*

*Composite*

*Wild Flower Handtied*

*Modern Minimalist*

Your bridal bouquet will be at the center of your ceremony & in many of your photos. They are a detail that will definitely impact your look & style.

# WAYS TO CONTACT US

We are artists and love what we do, making beautiful flowers for your wedding day.

Melrose Flower Lab believes your wedding is not a package and therefore we don't quote prices via email, text, or phone as there are so many more questions, we need to ask of you.

We have found that misunderstandings can occur in the exchange of ideas and prices via email. We would love to speak to you and save you time by answering all your questions in one go.

Virtual consultation appointments can be scheduled from Monday to Friday in the afternoons or early evenings and most Saturday and Sunday mornings in the off season.
